- 5) A lively discussion ensued, with particular comments from residents of Mulbarton Court, concerning the condition of Kennal Road. It was suggested that little had been done for years, heavy traffic from Kent Turf and Cherry Tree Nursery was doing great damage, that barrier mounds should be built across the road to reduce speed and that legal action might be taken against offenders. Fortunately Mr. Dowle of Cherry Tree Nursery was present and stated that he gave strict instructions to his drivers, full knowing what offence could be given to residents by bad driving. The Chairman thanked Mr. Dowle for his generous contributions to K.R.R.A. funds. After further discussion it was agreed that the Committee should consider how best to improve the condition of Kennal Road.
